

*FOR SUCH a
TIME as THIS*

Sunday, August 30th

The following items should be used while we hear the story of Esther
(found in the book of Esther).

Snacks. Because everyone enjoys a snack during a good story!

Noise maker. Use when you hear the name **HAMAN** said during the skit and try to drown out his name.

Crown. Wear this crown throughout the skit to remind us of the crown placed upon Mordecai's head.

And whenever you hear the name **ESTHER**, cheer and hoot in celebration.

And remember, you too have an important part in God's story.
